SPECIAL ONESHOT

IIGAKARI NEE-SAN

FALSE ACCUSATION SISTER

You're not using the profits from the ****** Quest I bought to pay devolpment costs for a new li* a li*, are you?
Wait a second, it's your own product, so why the upside-down letters?
Any concerns?
You should care more about users than producers!
Ah, I got it.
You want to make up for the deficits your company's comic magazine is making lately, right?
Anyway, please do NOT use my money to pay for the development costs for a weird, new CG movie.
